Inspector General Announces Audit of Donations

Inspector General Ed Quatrevaux today announced that the Office plans to conduct an audit of the accounting and use of Katrina recovery donations administered by the City. The announcement follows the Inspector General's attendance at a community meeting in the lower 9th ward.

"The audit should satisfy questions concerning the use of private donations to the City in the aftermath of Hurricane Katrina. It also responds to Councilmember Johnson's call for an investigation into their disposition."

The audit will begin this fall and should be completed by the end of 2010.

The entire report can be viewed and downloaded from the Office of Inspector General's website at <http://www.nolaoig.org>.
