FINAL REPORT OF INVESTIGATION

11-0003-I

TITLE: Allegation of neglect of duty and gross negligence by Malachi Hull, Deputy Director, Taxicab Bureau, Department of Safety and Permits

DATE OF OCCURRENCE: Various

INVESTIGATED BY: Investigator Kristen Morales & Investigator Michael Centola

VIOLATIONS: Policy Memo No. 83(R) - Standards of Behavior for City Employees, and City Code Section 2-1120 (20) (a). **(Exhibits 1 - 2)**

ACTION TAKEN: Referral for administrative action to First Deputy Mayor and Chief Administrative Officer (CAO) Andrew Kopplin.

BASIS FOR INVESTIGATION

This administrative investigation was initiated based on a request from Andrew Kopplin, First Deputy Mayor and Chief Administrative Officer (CAO). The Office of Inspector General conducted a comprehensive review of the Taxicab Bureau's (TCB) operations, including but not limited to: a review of more than 1,200 files including personnel files and Certificate of Public Necessity and Convenience (CPNC) files; interviewing TCB personnel, City Hall employees, Taxicab Drivers, CPNC owners; a review of applicable policies and procedures; and a review of requirements as set forth in Chapter 162 of the New Orleans City Code.

EXECUTIVE SUMMARY

The City of New Orleans Taxicab Bureau (TCB) was established in 1932 for the purpose of regulating daily operations of taxi service within the City and enforcing requirements as set forth in Chapter 162 of the New Orleans City Code. The TCB collects hundreds of documents on a daily basis. It is essential that these documents are organized and maintained properly. The City depends on these documents, which include applications and renewal requests to collect revenue, take enforcement actions and make fiscally responsible decisions. Deputy Director (DD) Malachi Hull was responsible for ensuring that these files were properly organized

and maintained. The files were not properly organized or maintained due to DD Hull's neglect of duty.

TCB has employees designated as Investigators. These Investigators have limited authority and scope as set forth in Chapter 162 of the City Code. TCB Investigators have regular contact with Taxicab Drivers, Tour Guides and at times the general public. TCB Investigators, on at least two different occasions, used excessive force during separate incidents with a Tour Guide and a Taxicab Driver. On the first occasion, the TCB Investigator physically restrained a female Tour Guide by twisting her arm behind her back and then pushing her. He did this while trying to give her a citation to appear at an administrative hearing. The second occasion was when the TCB Investigator unjustifiably pepper sprayed a Taxicab Driver in the face, even though the Driver was walking away from him at the time. DD Hull was responsible for ensuring that the Investigators were properly trained and acted within the scope of their authority. The TCB Investigators were not properly trained; in fact they received relatively little training whatsoever. DD Hull neglected his duty and was grossly negligent in not providing proper oversight and in not ensuring that his personnel were properly trained. DD Hull's negligence directly impacted public safety.

NEGLECT OF DUTY, FAILURE TO PROPERLY MAINTAIN FILES, DOCUMENTS AND PUBLIC RECORDS

Between August of 2011 and February of 2012, the Office of Inspector General (OIG) reviewed approximately 500 Certificate of Public Necessity and Convenience (CPNC) files. OIG Investigators found that approximately 400 CPNC owners (80%) paid incorrect (lesser) amounts in fees and fines owed to the City of New Orleans. OIG Investigators found that the City did not collect the proper amount of fees and fines in the areas of CPNC fees, inspection fees, and drivers' fees, resulting in the loss of revenue. OIG Investigators also found approximately 100 non-negotiated payments, in the form of money orders or cashiers checks, attached to documents in the CPNC files. It should be noted that DD Hull was made aware of the aforementioned on numerous occasions by an OIG Investigator; however, he still failed to address the situation. An OIG Investigator discovered that a CPNC owner owed the City \$62,370 in transfer fees. On September 6, 2011, the OIG Investigator notified DD Hull by email and provided the supporting documentation. DD Hull was also advised that the \$62,370 only represented the first 6 months of 2011 and he should review

previous years to determine if additional monies were owed to the City. It was also recommended that DD Hull review the CPNC renewable fees, inspection fees and delinquent fees to determine if additional monies were owed to the City. DD Hull was contacted by an OIG Investigator on numerous occasions between September 2011 and February 2012 regarding the collection of monies owed; however, he failed to act. On March 6, 2013, DD Hull collected \$62,370, approximately 18 months after being notified in writing by the OIG. DD Hull failed to review the other 1600 CPNCs to determine if fees and fines have been properly assessed and collected.

(Exhibits 3 - 5)

OIG Investigators also found that most of the CPNC files reviewed were not complete and pertinent documents were missing. OIG Investigators found CPNC documents under desks, behind desks, behind file cabinets, in the storage room, in two different recycling bins, in the employee break room and filed in the wrong CPNC files. On at least one occasion that the OIG is aware of, an Orleans Parish Assistant District Attorney was unable to locate documents needed for trial. An OIG Investigator found the documents needed for this case under a TCB employee's desk. DD Hull was made aware of the chaotic file maintenance on numerous occasions; however, he never acted to address the situation. **(Exhibit 6)**

NEGLECT OF DUTY, GROSS NEGLIGENCE, FAILURE TO ENSURE PUBLIC SAFETY, FAILURE TO PROPERLY MANAGE PERSONNEL, LYING TO OIG

On November 9, 2013, an incident occurred involving Senior TCB Investigator Wilton Joiner and Tour Guide Operator Wendy Bosma. DD Hull was physically present and personally observed the incident. Joiner was attempting to issue a citation to Bosma for her to appear at an administrative hearing. Joiner took possession of Bosma's Tour Guide permit. Bosma objected and grabbed the permit out of Joiner's hand. Joiner then physically assaulted Bosma and twisted her arm behind her back while forcing the upper part of the front of her body onto a parked vehicle. Joiner let her up and then put his hands on Bosma and pushed her in the direction of the sidewalk. This incident was captured on video.

On October 23, 2013, an incident occurred involving Senior TCB Investigator Ronnie Blake and Taxicab Driver Emmanuel Esterlin. Blake was called to the scene to issue citations to Taxicab Drivers who were parked illegally. Blake placed his hands on Esterlin and pushed him towards the side of a building. Esterlin then swung at Blake with his fist and missed. Esterlin then walked away. Blake and Esterlin engaged in

further conversation and then Esterlin again walked away from Blake. Blake, from a position behind Esterlin, reached his left hand around Esterlin's head and discharged pepper spray into Esterlin's face. This incident was captured on video.

In these two incidents, the use of force by Joiner and Blake was both excessive and unjustified. Joiner was attempting to issue an administrative citation; he was not physically attacked; nor was he defending himself in any manner. No law enforcement official, federal, state, or local, has the authority to physically try to enforce an administrative citation. DD Hull was actually on scene yet he did nothing to stop this from happening or continuing. DD Hull had a duty to attempt to stop Joiner from physically assaulting Wendy Bosma. Joiner's use of force was beyond the scope of his authority and was potentially an illegal act. Blake was also attempting to issue an administrative citation; was not physically attacked; nor was he defending himself in any manner, at the time he used force. In fact, the video clearly shows Emmanuel Esterlin walking away from Blake, posing no threat or danger to Blake, when Blake pepper sprayed him. Blake's use of force was beyond the scope of his authority and was potentially an illegal act.

DD Hull was interviewed by OIG Investigators on December 5, 2013. DD Hull stated that on November 9, 2013, Joiner detained Wendy Bosma, "based on his (Joiner's) previous training." DD Hull also stated that he thought Joiner was "operating in the normal course of his duties." DD Hull believed that the physical confrontation was "excessive" as he thought about it at the time of the interview in December 2013; at the time of the incident in November he did not believe it to be excessive. DD Hull stated that at some prior time, TCB Investigators had carried "batons, handcuffs, and mace" on their persons. DD Hull stated, "I assume they have had training for it." DD Hull said that he believed that Chapter 162 of the Ordinance gave his Investigators "arrest powers." He added, "only folks that went through training could arrest." OIG Investigators specifically asked DD Hull if TCB Investigators had arrest powers to which he replied, "today no, yesterday some, and only the ones who went through training." DD Hull advised that he reviewed his employees' files when he first started with the Taxicab Bureau in June of 2011. He then said he did not review any employee's file for the next year and a half. The next time he reviewed an employee file was "after the Joiner incident on November 9, 2013." DD Hull advised that there were no written operations policies for TCB Investigators. He said that he did not write an Operations Manual because he "did not have the time." DD Hull said that

after the Blake incident on October 23, 2013, he learned of the “lack of training for the first time.” **(Exhibit 7)**

OIG Investigators reviewed Joiner and Blake’s personnel files. No applicable training has been documented nor has any applicable training been referred to. DD Hull stated that he was told by Blake that Blake had received training provided by the Harbor Police, on one occasion, date unknown, sometime prior to Hurricane Katrina. On December 19, 2013, OIG Investigators contacted the Chief of the Harbor Police. After an extensive search of their computer records, paper records, and verbally asking Police Instructors, the Harbor Police Chief said that no training was given to Joiner or Blake. Even if Blake and Joiner received training on one occasion approximately 11 years ago, this would be insufficient. Physically detaining and/or arresting someone, and using a baton, handcuffs, or pepper spray are acts so intrusive that they require current training and supervision. All Law Enforcement agencies conduct mandatory yearly training, wherein legal and constitutional issues are addressed. Safety issues are also addressed for the Officer as well as for the public. DD Hull had a duty and a responsibility to ensure that his personnel had the required training and that he provided the proper oversight, including drafting an Operational Manual detailing the proper procedures. DD Hull also lied to the OIG about his knowledge of their lack of training, as shown below. **(Exhibit 8)**

On December 5, 2013, DD Hull lied to OIG Investigators when he said that on October 23, 2013, he first learned of the TCB Investigators’ lack of training. On June 13, 2011, DD Hull emailed the Superintendent of the NOPD and requested training for his Investigators. On July 27, 2011 and August 05, 2011 DD Hull sent follow up emails to the Superintendent of the NOPD “following up to our request for assistance.” On August 22, 2011, the Commander of the NOPD Training Academy emailed DD Hull at the request of the Superintendent inquiring about the type of training DD Hull was requesting. Two members of the NOPD Training Academy met with DD Hull and DD Hull requested that NOPD provide arrest, handcuffing, and report writing training to the TCB Investigators. Approximately a few weeks after this meeting, NOPD advised DD Hull that they could not provide the requested training because the TCB personnel did not have enforcement powers. On October 12, 2011, DD Hull emailed the NOPD Deputy Superintendent and stated, “a couple of months back we requested training and getting special police officer powers. Our staff needs the proper training to meet these standards.” On October 20, 2011, DD Hull emailed Deputy Mayor Michelle Thomas and stated, “our Investigators

currently do not have police powers to stop these vehicles while they are moving.” On October 25, 2011, DD Hull emailed the NOPD Training Academy Commander “information regarding our staff.” The email contained language from Chapter 162-48. The NOPD never provided training to the TCB Investigators and DD Hull was aware of this. As early as June of 2011, DD Hull was aware that his Investigators did not have any training nor any “special police powers.” DD Hull personally tried, on at least five different occasions, four emails and at least once in person, to get his personnel training. DD Hull tried and failed to get them the requisite training. He then allowed Joiner and Blake to act as if they had “special police powers.” DD Hull purposely allowed Joiner and Blake to continue to arrest, detain and pepper spray individuals without proper training, thereby endangering the public. **(Exhibits 9-15)**

CONCLUSIONS

As the Deputy Director of the Taxicab Bureau, Malachi Hull failed in his duty and responsibility to ensure that all Taxicab Bureau files were properly organized and maintained. DD Hull failed to ensure that pertinent documents were accurately placed and maintained in the appropriate files. He failed in his responsibility to ensure that the City of New Orleans collected the appropriate Taxicab related revenue. DD Hull failed to take corrective action costing the City of New Orleans an unknown amount of money in uncollected fees and fines.

DD Hull failed in his duty and responsibility to ensure that the TCB Investigators had the proper training, direction, and supervision. DD Hull failed to produce an Operations Manual for the Investigators. DD Hull’s gross negligence in this matter directly led to two separate physical assaults by TCB Investigators on a Tour Guide and a Taxicab Driver. Due to DD Hull’s gross negligence and neglect of duty he failed to ensure public safety. (It should be noted that the two Taxicab Bureau Investigators acted without justification and then lied about their actions. Both have been terminated. DD Hull’s actions in no way mitigate or absolve the two Investigators of their personal responsibility.)

DD Hull lied about his knowledge of the TCB Investigators lack of training. On at least five separate occasions, DD Hull contacted the New Orleans Police Department and attempted to get the Investigators the proper training and “special police powers.” Every attempt failed. The NOPD would not provide the training, nor grant them “special police powers” because Taxicab Bureau Investigators did not qualify nor were they eligible to receive this training or obtain “special police powers.” DD Hull

clearly knew that, as early as October of 2011, TCB Investigators did not have the proper training. He tried but failed to get them training and then he allowed the Investigators to operate as if they had the training and “special police powers.” The two incidents documented in this report, involving a Tour Guide and a Taxicab Driver, were facilitated by DD Hull’s gross negligence and neglect of duty.

Based on the information above, DD Hull is in violation of CAO Policy Memorandum No. 83(R), particularly section II.f, *“Each employee, because of the job assignment, has certain required duties and must assume certain responsibilities. Each employee has a job to do and must do that job. Failure to perform these duties or take these responsibilities is neglect of duty.”* By lying to OIG Investigators, DD Hull violated City Code Section 2-1120 (20) (a), *“It shall be the duty of every city officer, employee, department, agency, board, commission, public benefit corporation, contractor, subcontractor, licensee of the city, and applicant for certification of eligibility for a city contract or program, to cooperate with the Office of Inspector General in any investigation, audit, inspection, performance review, or hearing pursuant to this chapter.”*

Employee violations of a standard of behavior as set forth in this memorandum may subject the employee to disciplinary action and possible termination of employment. The City of New Orleans endorses the use for both classified and unclassified employees of progressive disciplinary action. The suggested progression is verbal warning, written warning, suspension, demotion of

circumstances warrant and termination. The implementation of disciplinary measures shall be at the discretion of a supervisor and/or the appointing authority.

Subject: FYI: Gekker - CPNC Transfer Fee

Malachi,

Based on the financials alone, there was a significant increase in Duplicate Permits. It has been identified that the fee for a transfer of CPNCs to Gekker is incorrect. On approximately 189 CPNC transfers in 2011, Gekker was improperly charged \$20.00 instead of the \$350.00 required by City Ordinance. Please be advised that this is a rough estimate and does not capture 2009, 2010, or June 2011 - current.

Malachi,

This is for your reference. I picked a random CPNC# to audit and identify the fines and fees assessed by the Taxicab Bureau. This may be helpful when assessing fines/fees in the future.

Summary:

- TOTAL COLLECTED BY THE TAXICAB BUREAU VIA ACCELA: \$1370.00
- TOTAL **NOT** COLLECTED BY THE TAXICAB BUREAU: \$6859.00

*Keep in mind this CPNC# did not have as many transfers as most other CPNC#'s

Please see the attached spreadsheet for additional details. If you have any questions, please feel free to contact me at your convenience.

Subject: Observations Of Taxicab Bureau

Malachi,

On Friday April 12, 2013 I was at the Taxicab Bureau locating CPNC records when I made several observations that I would like to bring to your attention.

First, I would like to say that B.BYRD and T.WIMBERLY both stayed after their scheduled shifts in order to assist in locating CPNC information. I sincerely appreciate both employees going above and beyond to assist the Office of the Inspector General.

I was in the process of identifying how a taxi vehicle is inspected and where those records would be maintained (since they are not in the CPNC file folder).

B.BYRD and T.WIMBERLY walked me through the process, using the example of SHEICHO DELBAR (Cab Driver who was recently shot and killed). My understanding is at the time of the murder, DELBAR was driving CPNC# 177. According to Lama, an inspection was conducted by B.BYRD on January 02, 2013 and "failed" due to No GPS, No Camera, No Top light, and No Silent Alarm. A re-inspection was conducted on January 08, 2013 by J. CARMOUCHE with a "pass". To further the due diligence, B.BYRD and T.WIMBERLY advised that a log was created every time the camera equipment was tested. On January 08, 2013 08:59:28 J.CARMOUCHE tested the camera equipment.

*Lama also had on file that S.DELBAR was driving on CPNC# 991 – at some point. Please be advised that CPNC # 991 had "passed" an inspection on September 18, 2012, however has not returned for the 6 month re-inspection which would have been due in February 2013.

Some Observations:

1. It took an excessive amount of time to locate CPNC / Vehicle information. I recommend that the Inspectors at the stations have scanners with them so that they can scan the inspection sheets upon completion of the inspection. Further,
2. Storing of Public Records. Drivers Files, Tests, CPNC Files, Transfer Information, Historical Information, etc. are located throughout the department in a number of rooms and storage areas. I can't stress enough how critical it is for public records to be stored and maintained appropriately. It is vital for your staff to organize files by CPNC and by Drivers Permit. It became evident that when I made an attempt to locate transfer information, I had to check with several staff members and several rooms to locate records – which were never found.
3. Scanners are not being utilized for their recommended purposes. When I questioned why the scanners were not being used, I was advised that they were not trained on how to use them and how to scan documents into Lama. A training session should hopefully resolve this issue, but please note that it is imperative that the scanners currently in the department be utilized so that all information is readily available

4. In order to identify the previous owner of a CPNC Ms. Brownfield had to use a system pre-Accela, called "Passport" to locate this information. Is it possible that Passport information can be married into the Lama System?

If you have any questions or concerns please feel free to contact me at your earliest convenience. * I am also willing to dedicate some of my time (with approval from my IGID) to help organize the files.

MEMORANDUM OF INTERVIEW

On 12/05/13, Investigator Kristen Morales and Investigator Michael Centola of the City of New Orleans Office of Inspector General (OIG) contacted Malachi Hull, Deputy Director (DD), Safety and Permits, at his office in City Hall, 1300 Perdido Street. DD Hull was aware of the identities of the OIG personnel and he was told that the OIG was conducting an administrative investigation. DD Hull was also told that he was compelled to answer all questions relative to official business; he then provided the following information:

January 13, 2013 Incident

DD Hull advised that when he was made aware of an incident that took place on January 13, 2013 (OIG NOTE: incident involving Taxicab Bureau Investigator (TCI), Ronnie Blake on the hood of a moving taxicab) he contacted the OIG to notify them of this incident. He stated that after this incident he sat down with the TCIs, specifically, Blake to advise them not to put their life in danger, "that it was not worth it." DD Hull said that he "assumed" that TCIBs had arrest powers. DD Hull was not given any direction from the administration, however was told to read the Ordinances pertaining to the Taxicab Bureau. When DD Hull had his introductory meeting with his new staff, June 2011, they referenced Standard Operating Procedures (SOPs) but DD Hull never followed up with the staff to locate the SOPs. He was aware that Ann Duplessis, Former Deputy Mayor of the City of New Orleans, sent notification to all staff in the TCB that no one was allowed to carry firearms.

DD Hull stated that he does not remember the follow-up conversation, from Blake's January 2013 incident, with the OIG (OIG NOTE: the follow up conversation was with, Investigator Kristen Morales and Assistant Inspector General, Howard Schwarz) and the items discussed, including the fact that the TCIs had no arrest authority.

October 23, 2013 Incident

An incident on October 23, 2013 involving Blake and Taxicab Driver (TCD) Emmanuel Esterlin would have called for a citation being issued at the scene, according to DD Hull, however, the citation was issued at a later date because Esterlin was arrested and taken to the hospital. DD Hull stated that this is normal business practice to issue citations at a later day, "they do it all the time." When the TCB receives complaints from customers / citizens, (OIG NOTE: DD Hull provided the example - customer over charged) the TCB conducts their investigation. If the allegations are substantiated they will call the TCD in to the TCB and cite them. Further, DD Hull said that he will see violations on the street and he will contact a TCI and have the driver come to the TCB to be cited for the violation.

DD Hull said that on the day of this particular incident, October 23, 2013, he was on his way to the TCB Inspection Station (OIG Note: TCB Inspection Station located at 13400 Old Gentilly Rd) with newly appointed Deputy Chief Administrative Officer Operations, Ava Rogers, when he heard Blake requesting help. They started hearing calls on the TCB radio that officer needs assistance so they turned back around and contacted 911 to advise them of the TCB radio call.

DD Hull stated that he was unaware if a TCD is required to get out of the vehicle in order to be cited by a TCI. DD Hull advised that in a meeting that they had with the Law Department, Blake stated that they are trained to ask the driver to get out of the vehicle and to cite the driver if he or she does not get out of the vehicle. According to DD Hull, the offense for not complying with a TCI is Section 162-446. (OIG NOTE: New Orleans Code of Ordinances Section 162-446 *Driver's good conduct* states; "No person to whom a driver's permit has been issued under the provisions of this article shall interfere with, impede, obstruct the legal operation of or intentionally damage any vehicle or its equipment authorized to operate under the provisions of this chapter; nor shall any person threaten, abuse, insult, provoke, interfere with, impede or obstruct any passenger, prospective passenger or any other person in connection with operations under this chapter.") DD Hull said that the code does not state that but it was the way the TCI were trained. He said that if the OIG had additional questions relating to drivers good conduct, to speak directly with the TCI. DD Hull was not aware that Esterlin complied with Blake's request to turn over his permit, when DD Hull arrived on the scene of the incident.

DD Hull said that Kent Wilkins, Director for Security at the Hyatt Hotel (location of incident) recently provided the TCB with a witness statement and it was completely different from what he originally stated at the scene of the incident. The Law Department requested Blake write a statement and that is where DD Hull learned of the SOPs and lack of training for the first time.

DD Hull said that he called Esterlin in to the TCB in order to cite him for the activity on October 23, 2013. DD Hull did not want Blake to deal with Esterlin, so DD Hull spoke with him directly. DD Hull explained to Esterlin that the TCB watched the video of the incident and that he saw Esterlin swing first. He did not realize Esterlin was arrested until the day he came into the office. Esterlin told DD Hull that he was arrested so DD Hull requested that he bring in his paperwork. DD Hull advised Esterlin that it was not his fault the incident happened and if he has been arrested or charged with any crime then his license is suspended. DD Hull said Chapter 241-242 states they can pull a license "for a prescription of offenses." He was unaware what Esterlin's charges were but still advised him that his license would be suspended. DD Hull advised Esterlin that Blake would not press charges against him after speaking with Blake. Blake said he did not know why he did what he did but that Esterlin was a good guy. DD Hull offered to find Esterlin a job because Esterlin indicated that he was not sure how he was going to support his family. He recommended Esterlin get with "Job One." DD Hull advised that they do this with everyone who is in a similar situation to Esterlin. The first TCD the TCB ever assisted was K-man Mitchell. According to Hull, his background check listed an arrest and conviction, to which Mitchell served 8 years. (OIG NOTE: New Orleans Code of Ordinances Section 162-242 - *Prescription for certain offenses* states; "(a)Applicants for a driver's permit or CPNC or renewals thereof shall not have been convicted of any felony other than those listed in section 162-241, or the offense or equivalent offense of pandering, prostitution, soliciting for prostitution, or illegal possession or use of a controlled dangerous substance, as set forth in R.S. 40:961, et seq., within five years of the date of filing an application; nor shall the applicant have served any part of a sentence therefore within five years before the date of filing such application. (b)Applicants for a driver's permit or CPNC or renewals thereof shall not have been convicted of any offense under the laws of this state or any other state or of the United States for the offense or equivalent offense of operating a vehicle while intoxicated within five years of the date of filing the application, nor shall the applicant have served any part of a sentence therefore within five years before the date of filing such application.")

November 09, 2013 Incident

DD Hull stated that he checks on "his folks" regularly to see how they are doing and frequently monitors the radios. The check up is not an evaluation; that in fact it is just a checkup.

Joiner had been doing the evening shift for about four weeks because another TCI, Stacy Warren, had been out sick.

On the evening of 11/9/13 DD Hull was in his personal vehicle and decided to do a routine check on Joiner. DD Hull contacted Joiner on his cell phone and requested his location. He met Joiner at the corner of Royal and Governor Nicholls. DD Hull stated that when he approached Joiner, Joiner said "glad you see what we see," "there were folks everywhere." DD Hull parked down the block on Governor Nicholls and started walking toward the tours and took a picture. There were at least four (4) groups including Tour Guide Operator, Wendy Bosma's tour group. Bosma's tour group was the first group DD Hull encountered. He said that he did not know which way the tour groups were going. DD Hull said that tours were all within fifty (50) feet of each other. He does not know which group would be in violation if he walked up on all the tours. He said if a group was already there and if another tour guide group walked up and they were less than fifty (50) feet, the second tour group would be in violation. DD Hull said that if tour groups were passing each other they would not be in any violation of the fifty (50) foot rule. DD Hull said that the TCIs are not equipped with any measuring instruments. DD Hull said that Allen Yrle, Chief Traffic Engineer, Department of Public Works, sent him an email with the width of the streets in the French quarter and they are twenty (22) feet apart. This email was sent on to the TCIs (OIG NOTE: This email was sent to DD Hull on October 28, 2013)

DD Hull described the photo that he took that evening; he said that Bosma's group is across from Joiner. Joiner is in a florescent vest in the photo. (OIG NOTE: A copy of the photo was provided by DD Hull to the OIG)

DD Hull said that the TCB does not want TCIs to engage the Tour Guides during their speeches. Joiner approached Bosma and asked her for her permit. DD Hull was not close enough to hear the conversation but Joiner was aware that DD Hull was there. Once Bosma was approached by Joiner, she immediately took out her phone, however, did provide the permit to Joiner. The back of Joiner is to DD Hull and the face of Bosma is toward DD Hull.

(OIG NOTE: DD Hull stated that did not hear the conversation between Joiner and Bosma, when Joiner first approached Bosma. It was later explained to him that Bosma had recorded some video with her cell phone and this was shown to him by one of the New Orleans Police Department (NOPD) officers. DD Hull said the video was a recording of the block they were on with no other tours on the street.)

Bosma walked to the corner, turned toward her group and told them that she can't finish the tour because "that guy just took my permit." The whole Tour Group turned towards Joiner and started to shout at him saying that it was not right that he took her permit. The Tour Group shouted "give her her permit back." DD Hull said that "three caucasian males" were in Joiner's face and the crowd had surrounded both DD Hull and Joiner. The Tour Group requested to see Joiner's badge. The tour group continued to yell towards Joiner, "you all need a warrant."

DD Hull said all the persons on the tour group were drinking. DD Hull gave Joiner a direct order to "stop talking to the crowd" and "call NOPD." Joiner walked off into the street and DD Hull tried to deescalate the crowd. DD Hull said the next thing he knew Bosma was on the car. DD Hull said that he was still talking to one of the larger gentleman who was on the tour, when all of a sudden she was on the car, he did not see how she got on the car. DD Hull described him as a short, heavy set caucasian male. DD Hull said that he did hear Bosma screaming. DD Hull advised that Joiner was detaining her, but he was not sure why. Joiner was saying "permit permit." DD Hull said it "seemed like he was detaining her based on the way he had her," and repeatedly asked for her permit. DD Hull stated that Sidney Smith owner of Haunted History tours then pulled out his camera started to record the streets and "getting folks excited".

DD Hull said Joiner had her detained based upon his previous training. He was operating in the normal course of his duties from his understanding. DD Hull felt that the physical confrontation was "excessive" now, but at the time of the incident "no." DD Hull said that he does not have an answer when it comes to a protocol being in place, if a TCI is assaulted or battered.

DD Hull advised that there are emails and statements from persons who witnessed the incident, including Joiner, Bobby Whidden resident on Governor Nicholls, and one other resident, name unknown (NU), who stays across the street. He stated that the law department would have them, if not more. All of this information would have been passed along to Ava Rogers, Deputy CAO.

DD Hull stated he emailed Joiner's statement to Rogers. He concurred with what Joiner put in his statement. He still agrees with the Joiner's statement. He has no reason to believe that it is not accurate.

DD Hull said that Joiner emailed his statement to him, cc'd Karen Thibodeaux, Deputy Director of the TCB and TCI Ronnie Blake. DD Hull advised that he did not write a report on the incident that occurred on 11/9/13.

DD Hull said that Joiner did not arrest Bosma on 11/9/13. The only information that he has from Joiner from the incident on 11/9/13 is; his trip sheet and emailed statement. DD Hull said the TCB has not made any arrest. He said an arrest means they would "go to OPP and then be processed." (OIG NOTE: OPP stands for Orleans Parish Prison). DD Hull said that he "did not authorize" Joiner to; "Detain, Arrest, Push, or Restrain Wendy Bosma," however he did authorize Joiner to "approach her." Joiner did not say why he was detaining her, the only thing that DD Hull heard was Joiner say "permit, permit."

DD Hull said he took no steps to ensure Bosma's medical needs were met because it was his understanding that once NOPD was on the scene they would call EMS (OIG NOTE: EMS stands for Emergency Medical Services). DD Hull did not make any medical request for her once NOPD took over the scene. DD Hull had no interaction with anyone except, an NOPD officer and a cab driver that was up against the wall.

Linda Martin

DD Hull said that he assigned Blake to train new TCI Linda Martin. This assignment was not in writing, it was a verbal command. DD Hull said that he did not know how Martin obtained her TCI

uniform "you would have to ask her." DD Hull went on to say that "his folks" get a uniform allowance and then they go to the uniform shop. He does not have a guideline or policy on how they are to obtain uniforms. He said when he worked in Atlanta (OIG Note: DD Hull was formerly the Bureau Director for the City of Atlanta) they would just go to the uniform shop and have an account and spend it there.

DD Hull did not speak to Martin about the incident involving Blake and Esterlin on October 23, 2013. He advised that Martin wrote an email and "scanned it to folks." He does not know where she typed this email, did not direct her/require her to give a statement and does not know if anyone told her to write one.

DD Hull stated that he did not provide Martin with a training manual and that he does not have a training manual. TCB gave Martin the "SOPs on Jazzy Drivers, Work Rules, Ordinances, CPNCs, Driver Permits and administrative polices from Safety and Permits."

Administrative Hearing

Sidney Smith, owner of Haunted History Tours requested to be present at an administrative hearing on one of his employees (Name Unknown) that was previously cited by Joiner. DD Hull said that it was at his direction that he did not allow Smith into the hearing because Smith was not a witness and had previously threatened Joiner. DD Hull could not recall who called him about the request for Smith to be present, either the hearing officer or one of the TCIs. DD Hull said that he has never had to make this decision before, as he has never received this type of question before.

Tom Shlosman Complaint

DD Hull received complaints from private attorney Tom Shlosman detailing several allegations about TCIs Blake and Joiner. DD Hull said that he did not refer this complaint to the OIG because he sent it to the law department, specifically, Sharonda Williams, City Attorney, and cc'd Dan McNamara, Assistant City Attorney, and possibly Rogers. DD Hull said he wanted to see how the law department wanted to handle it.

DD Hull said that he received emails from Council Members with allegations/ complaints. One of the complaints came from Rob Lawrence, private citizen. Lawrence had concerns as to why TCB enforcement had "picked up" in the French Quarter. DD Hull met with Lawrence on a Friday and after the meeting Lawrence understood why enforcement had "picked up" based on DD Hulls explanation.

DD Hull said that he did, "forwarded" and he "responded to" emails communicated by council members. Additionally, DD Hull emailed the proper personnel, "any allegations relating to the TCB."

During a discussion about complaints received from Luke Siddall, private citizen, DD Hull advised that he did not interview Luke Siddall, surrounding the complaints.

When DD Hull interviewed Blake and Joiner regarding the allegations, he said he did not take notes of the interview with either Blake or Joiner. DD Hull said that he does not recall if he interviewed them on the same day since they were on different shifts. DD Hull stated that he was instructed by City Attorney Williams and Assistant City Attorney for Civil Service Elizabeth Robins to sit down and interview Blake and Joiner. DD Hull typed up what he discussed with Blake and Joiner and then had each one of

them confirm it via email. He asked them specifically "do you carry a firearm" and both responded "No I don't carry a firearm".

DD Hull said that the TCB and the Law Department were moving towards outsourcing the investigation to the OIG. DD Hull said that he spoke with Assistant Inspector General Howard Schwartz about the complaints from Shlosman. DD Hull advised he did not write a report of this event.

Policy

DD Hull said that he has "done nothing" regarding the research/ due diligences regarding the authority of the TCB. He did look in the personal files of his employees when he first got there. He recalls seeing a firearm certification form in Joiner's file. DD Hull said that he believed that the TCB vehicles had emergency equipment on them, "not on his watch." The removal of the emergency equipment was requested through EMD. DD Hull said that he is not sure if EMD removed the emergency equipment. He did not follow up with the request. He went on to say that he has not discussed the taxicab bureaus authority and policies with "nobody."

When discussing Guided Tours, DD Hull advised that there is no code that allows for leniency when it comes to the "50ft" rule concerning Tour Guide Operators (OIG NOTE: New Orleans Code of Ordinances Sec. 30-1489 *Walking tour guide rules and regulations* states; "During a tour narration, tour groups shall maintain a distance of 50 feet from another tour group."). There is also no internal policy. DD Hull said the TCIs do not give a warning of potential ordinance violations, "If they are in violation, they get a citation." DD Hull advised that this also applies to the 10:00pm curfew. If it's past 10:00pm the TCIs will issue a citation if the tour is still being conducted. (OIG NOTE: New Orleans Code of Ordinances Sec. 30-1489 *Walking tour guide rules and regulations* states; "All tour groups shall be disbanded by 10:00 p.m. nightly. Garden District tours shall be concluded by 6:00 p.m. nightly.")

DD Hull said that the TCIs are not equipped with any measuring devices to determine distance between Tour Groups. DD Hull advised that the reason for the increased enforcement is due to increased complaints and following up with complainants, residents and council members. He even sat down with Council Member Jackie Clarkson and private citizen, Bobby Whiddon.

While discussing the length of time for a tour DD Hull said there really is not a set time, but if the Tour Operators are standing at a spot too long, TCIs will ask them to move. DD Hull advised that the TCB has the authority to move them along "based on what the code says," although he acknowledged that the code does not specify any restrictions on the length of time for a tour.

DD Hull said that the TCB did not purchase pepper spray or handcuffs but the City of New Orleans gives uniform allowance and they get the equipment that they need. DD Hull advised that he does not tell them what they can and cannot purchase, there is no set equipment list, and he did not create one.

DD Hull's reason/justification for promoting Ronnie Blake is due in part because of Xavier Cabo, Project Manager for Mayor Landrieu's Innovation Delivery Team. Cabo was assigned to the TCB to make the TCB run better. In the process of Cabo putting the organizational chart together, he advised DD Hull that the chart needs to be more efficient. According to DD Hull, Cabo recommended that the TCB create a Supervisor position. DD Hull looked at who they had and determined that Blake was the most qualified

because he takes initiative. DD Hull did not look at previous performance evaluations; however, he did look at the amount of time "folks" served at the TCB.

The last time DD Hull reviewed his employee's files was after the Joiner incident on 11/09/13. Prior to that, it was when he first started with the TCB in June 2011.

The last training that was offered by DD Hull was the State Ethics Training. He advised that Terrance Wimberley, TCI, also went to a training offered by the FBI to fulfill his continuing education credits for his Certified Fraud Examiner's license.

DD Hull said that the reason for ignoring the emailed request on October 21, 2013 by the OIG, was because, "nothing was sustained at that time" and there was a shortage of personnel at the TCB. DD Hull said he did forward the email to Andy Kopplin, First Deputy Mayor and Chief Administrative Officer, City Attorney Williams and Deputy CAO Rogers, "if she was there at the time." (OIG NOTE: Email dated 10/21/13 to DD Hull from Investigator Morales. Emails states; *"Malachi, I have received additional complaints against Investigator Wilton Joiner. Some statements were very alarming, including... "I feared for my life," and "He intimidated me." Is it possible for you to assign another Investigator in the field, until these complaints/allegations have been thoroughly investigated? The concern is for the public and public safety."*)

DD Hull said that his policy regarding "details" is that he did not like the word "details". In the past they referred to them as "special event details," i.e.: Voodoo fest, Essence fest, Jazz fest and Bayou Bogaloo fest. DD Hull advised that it is "not in the course of their duties" – special event details. DD Hull said the event holders are requesting taxi cab stands, "if that is what you want to call it-" private citizens pay them, they do not get paid for these events from the city. If TCIs were to get hurt while performing these "special events" that are paid for by private citizens he is not sure who's insurance it would go under but assumed it would go under the City of New Orleans. DD Hull said that he has not set a rule of standards or policies in regards to special events details.

DD Hull stated that there are no written operations policies for TCIs, in the field and at the inspection station, however they do have an inspections checklist.

DD Hull stated that TCIs "today, cannot" carry handguns, cuffs, mace/pepper spray. They are no longer able to carry after the incident with Joiner. DD HULL said that in the past, the TCIs had carried them before, specifically, Armament Systems Procedures Inc (ASP) batons, handcuffs and mace. DD Hull said "I assume they have had training for it."

DD Hull said that he has never seen Blake or Joiner carry a gun holster on their belts.

DD Hull said that he thinks there is a description for Supervisor Taxicab Investigator. He said that the description is in Blake's possession and he should have a copy on him. DD Hull said that Blake was given a copy of the description for Supervisor Taxicab Investigator when he accepted the new position.

DD Hull said that he did not write an Operations Manual because, "he did not have the time, reform stuff, dealing with the IG's office, dealing with court lawsuits, and day to day operations. They started when he first got there but then went straight to reforms."

DD Hull said that Chapter 162 gives his TCIs arrest powers. He thinks its "Chapter 162-48 b." That is what he read and saw. DD Hull said "only folks that went through training could arrest." He advised that Wimberley went through the most training.

DD Hull said that he did not discuss arrest powers with anyone until after Joiner's incident on 11/09/13.

When asked what exactly can a TCI do, DD Hull said, "today the roles are to go to the inspection station, investigate complaints from the office; however, they cannot do any field enforcement." DD Hull went on to say that before it was different, "they would do inspections, street inspections, they could walk up and cite folks, they could detain folks, and they would detain someone who is not permitted."

When asked what powers TCIs have, DD Hull stated, "today everything except for arrest powers and they cannot detain." They can issue citations. "Right now their power is to do nothing." DD Hull said TCIs can inspect inside vehicles for vehicle registration documents as the code allows them to do random inspections. The code says "they can go into the interior of a vehicle." If the TCD refused or is not in the car, the TCI would call NOPD.

DD Hull said that he, "never thought about it" in relation to TCI using their personal phones to conduct city business or taking photos of citizens. DD Hull pointed out that the TCIs use photos for their TCB hearing. DD Hull wants them to have evidence but he did not specify, work or personal.

When asked if TCIs have arrest powers DD Hull stated that today "no" yesterday "some" and only the ones who went through training. DD Hull stated that Blake said that he went through Harbor Police training and Joiner had the NOPD training and they went through training before Katrina and they "lost some of the paperwork."

When asked if TCIs have search and seizure authority DD Hull stated "today, before and after no," because he does not see them, "seizing stuff." Trip sheets would be confiscated if the TCD is not in the car or if the "TCD runs off."

When asked if citizens have constitutional rights DD Hull responded "I think everyone has constitutional rights, not just citizens." DD Hull said he knows this because "the golden rule, treat others how you would like to be treated." He also "knows that we have a US Constitution, I could not tell you what it says, but there is one."

International Association of Transportation Regulators (IATR)

DD Hull was asked questions pertaining to the IATR. DD Hull provided the following answers;

DD Hull's role with the IATR, "today is board of directors, past president, and board member." DD Hull said that his other roles with the IATR were president, past president, and vice president. DD Hull said that he received the Regulator of the Year award for 2012. He did not receive any awards by the IATR; he did receive the Bureau of Governmental Research (BGR) award in September 2013 and the "Champion of Tourism" for 2013 from the New Orleans Convention and Visitors Bureau. DD Hull said

that he has not received any money from the IATR; however, they have "paid/compt" for the conference fees, airfare, and hotel for DD Hull to attend. He said that the IATR gave him a "clear apple" in 2009. (OIG NOTE: The apple is from Tiffany and Company.) DD Hull said that he has received "nothing" of value from any Vendor / Third Party Contractor. DD Hull said that his trip to Canada (IATR Conference), he went in 2011, 2012, and 2013, the IATR has paid for all of his conferences. DD Hull said the IATR paid for the trip and travel expenses to IATR conference held in Canada. DD Hull said he completed the Ethics forms for these trips. The IATR has been paying for Hull to attend since 2010. DD Hull said that the City of New Orleans pays for his membership (\$550.00). He went to "Day on the Hill" with the ITAR in 2012. The city did provide him with City per-dieum. DD Hull said that he has no outside employment. He also said that he has not had outside employment since he has been employed with the City of New Orleans.

DD Hull said that he has not earned any other monies outside of his position with the City of New Orleans; however he did receive a check for \$1000.00 from the BGR award.

DD Hull said that he has a consulting business that is domiciled in Atlanta but he has not done anything with it. He has not earned any income from it. He has no other financial interests and no joint ventures.

Office of Performance and Accountability, specifically Oliver Wise set 600 citations as a goal for the TCB. It was a management statistic and they decided to set it as a goal. Today, they are trying to figure out how you get a "good eight (8) hours out of folks," they are going to look at what revenue does and may follow the same path. DD Hull said the number 600 started with what they did the previous year and advised that they did not have full staff and that once he did, the numbers would increase. No quota has ever been established. DD Hull said they have never been "quota driven."

Chief Serpas:

Good Afternoon. My name is Malachi Hull, and I have assumed the role of Deputy Director for the Department of Safety and Permits. I just wanted to take a moment to let you know that I look forward to meeting with you in the near future to get your thoughts and suggestions on how we can improve the for hire vehicle services for the city of New Orleans. In addition, I'm interested in working with your training instructors to improve training issued to our enforcement personnel. This training can include verbal judo/conflict resolution, report writing, etc. Finally, I would like to discuss how we could put some community oriented policing initiatives in place.

My top focus will always be public safety and driver safety. I believe that there is a direct correlation between the two. For example, each driver assaulted and/or murdered impacts New Orleans' overall crime numbers. In addition, not having taxicab stands in key locations, like clubs, bars, etc increases the number of individuals driving under the influence. Also, if a driver does not feel safe, he/she won't service certain areas of the city which can lead to more individuals walking to and from the store, etc making them easy targets for robbery. In Atlanta, we implemented a community oriented policing strategy, where the vehicle for hire operators attended the citizen's police academy to improve the relationship with the police department and the industry. The program was a 2 hour per week, 9 week program that taught drivers how to identify crimes, report them, and avoid being victims of crimes. This program gave us over 3,500 additional individuals' eyes and ears on the streets to help reduce crime.

I look forward to working with you to make New Orleans a safer city.

Good Afternoon. We are close to moving forward with the T.O.P.'s program. Can you please give me a timeline on when the class will be scheduled so I can communicate it to the Mayor's Office; then to the industry? Also, can you please forward me the applications so I can start having the individuals complete them?

In addition, we have a new industry of Pedicabs that will be hitting the streets soon. The company owners asked if NOPD could put on a training to teach their driver's about safety so they would reduce the opportunity of being robbed, etc. Also, does NOPD still have a bike registration program?

I put together a three day training exclusively for drivers for hire.

- 2) What constitutes and crime & suspicious persons/activity
- 3) NOPD communications/protocols

Three classes, one evening per week, one hour per class. This way we can get more of your people trained and back on the street.

Mr. Hull,

After speaking to you about sending drivers for hire to our citizen police academy I realized that space would be a major issue. Secondly, drivers for hire live on the amount of fares they transport per day and time would be an issue as well.

Because of this, I came up with a type of training for your guys. The training would run for three weeks. One day per week, one hour per day. Crime Prevention (My Office) would cover the following.

Risk Factors

The following factors put taxi drivers at risk:

- Working with the public
- Working with cash
- Working alone
- Working at night
- Working in high-crime areas

OSHA Recommendations

Safety measures and equipment for taxi drivers

Crime Prevention Recommendations for the Taxicab Driver

Crime prevention tips for taxi, limo and bus drivers.

We would have our communications division will discuss emergency/non-emergency protocols and our legal aspects instructor will discuss what constitutes a crime and suspicious activity.

I'm currently working on the next citizen police academy moving to a new location. Do you have a location in mind for the TOPS training?

Subject: Taxicab Bureau Request

DC Albert:

Good morning. I'm seeking your assistance on a three matters. A couple of months back, we forward Chief Serpas and Commander Treadaway a request to assist our staff with training and getting special police officer powers. In that time, I had an opportunity to meet with Commander Treadaway. We are trying to find out the status of our request. The New Orleans City Codes mandates that we enforce all requirements established in Chapter 162; but our staff needs the proper training to meet these standards.

Sec. 162-48. - Duties and responsibilities.

(a)

It shall be the duty of the taxicab and for hire vehicle bureau, under the direction of the director of the department of safety and permits, to see that all applications to own or operate taxicabs or other for hire CPNC licensed vehicles conform to all requirements established by this article and other articles of this chapter where applicable; and to certify that such requirements have been met; to execute all policies established; and carry out duties as may be assigned from time to time by the director of the department of utilities.

(b)

It shall be the primary responsibility of the taxicab and for hire vehicle bureau, under the direction of the director through designated enforcement agents, to enforce all of the provisions of this chapter relative to taxicabs and other for hire vehicles by either filing complaints with the supervisor of the taxicab and for hire vehicle bureau for appropriate administrative action or by arrest or filing proper charges against the offender

Secondly, we are seeking to enhance the communication between the Taxicab and For Hire Vehicle Bureau and NOPD in sharing information regarding the arrests or issuance of arrest summons of individuals engaged in taxicab or for hire business.

Sec. 162-50. - Police, municipal courts to assist.

All officers and members of the department of police and the municipal and criminal court personnel shall assist the taxicab and for hire vehicle bureau or enforcement agents in the necessary performance of their duty when so requested. The superintendent of police shall furnish the taxicab and for hire bureau with a monthly report of all arrests of persons engaged in the taxicab or transportation for hire business. The clerk of the municipal court shall promptly report daily in writing all convictions for violations in such court.

Finally, we are seeking a way to identify crimes committed against taxicab and for hire operators, whether they are in a for hire vehicle or through the job classification. Is that possible? Can COMSTAT assist in this?

In closing, I appreciate all your assistance. If there is anything that you need from us, please do not hesitate to call me at 504-329-2081.

Thanks, D.

MEMORANDUM OF INTERVIEW

On 02/18/2014, Assistant Inspector General for Investigations (AIG) Howard Schwartz of the City of New Orleans Office of Inspector General (OIG), telephonically contacted Bernell Nevil, retired New Orleans Police Department (NOPD) Commander of the Training Academy. Mr. Nevil also served as a Lieutenant in the Public Integrity Division. He is currently employed by Entergy in the Security Division. Mr. Nevil was aware of the identity of AIG Schwartz and the purpose of the interview, he then voluntarily provided the following information:

Mr. Nevil advised that he was contacted by Malachi Hull, Director of the Taxicab Bureau for the City of New Orleans, sometime in 2011, regarding training. AIG Schwartz stated that he had reviewed several emails discussing this issue, between Mr. Hull and Mr. Nevil and the dates were in August of 2011. Mr. Nevil advised, "that sounds right." Mr. Nevil said that NOPD Superintendent Ronal Serpas instructed him and the Superintendents' Chief of Staff Commander James Treadaway, to meet with Mr. Hull to discuss his training needs. Mr. Nevil stated that he and Commander Treadaway did meet with Mr. Hull. Mr. Hull wanted NOPD to provide arrest, handcuffing, and report writing training to Taxicab Bureau personnel. Mr. Nevil said that NOPD never provided any training to Taxicab Bureau personnel. He believed that the Taxicab Bureau personnel did not have any enforcement powers and therefore, NOPD could not provide the requested training.
